

through 715 of the CWC. Such submissions must provide the same information as written declarations and reports and are subject to the record-keeping provisions of part 720 of the CWC. The company and Web-DESI user submitting the declaration or report will be deemed to have made all representations and certifications as if the submission were made in writing by the company and signed by the certifying official. Electronic submission of a declaration or report will be considered complete upon transmittal to BIS.

(d) *Updating.* A company approved for electronic submission of declarations or reports under Web-DESI must promptly notify BIS of any change in its name, ownership or address. If your company wishes to have a person added as a Web-DESI user, your company must inform BIS and follow the instructions provided by BIS. Your company should conduct periodic reviews to ensure that the company's designated certifying official and Web-DESI users are persons whose current responsibilities make it necessary and appropriate that they act for the company in either capacity.

PART 712—ACTIVITIES INVOLVING SCHEDULE 1 CHEMICALS

Sec.

712.1 Round to zero rule that applies to activities involving Schedule 1 chemicals.

712.2 Restrictions on activities involving Schedule 1 chemicals.

712.3 Initial declaration requirements for declared facilities which are engaged in the production of Schedule 1 chemicals for purposes not prohibited by the CWC.

712.4 New Schedule 1 production facility.

712.5 Annual declaration requirements for facilities engaged in the production of Schedule 1 chemicals for purposes not prohibited by the CWC.

712.6 Advance notification and annual report of all exports and imports of Schedule 1 chemicals to, or from, other States Parties.

712.7 Amended declaration or report.

712.8 Declarations and reports returned without action by BIS.

712.9 Deadlines for submission of Schedule 1 declarations, reports, advance notifications, and amendments.

SUPPLEMENT NO. 1 TO PART 712—SCHEDULE 1 CHEMICALS

SUPPLEMENT NO. 2 TO PART 712—DEADLINES FOR SUBMISSION OF SCHEDULE 1 DECLARATIONS, REPORTS, ADVANCE NOTIFICATIONS, REPORTS, AND AMENDMENTS

SOURCE: 71 FR 24929, Apr. 27, 2006, unless otherwise noted.

§ 712.1 Round to zero rule that applies to activities involving Schedule 1 chemicals.

Facilities that produce, export or import mixtures containing less than 0.5% aggregate quantities of Schedule 1 chemicals (see Supplement No. 1 to this part) as unavoidable by-products or impurities may round to zero and are not subject to the provisions of this part 712. Schedule 1 content may be calculated by volume or weight, whichever yields the lesser percent. Note that such mixtures may be subject to the regulatory requirements of other federal agencies.

§ 712.2 Restrictions on activities involving Schedule 1 chemicals.

(a) You may not produce Schedule 1 chemicals for protective purposes.

(b) You may not import any Schedule 1 chemical unless:

(1) The import is from a State Party;

(2) The import is for research, medical, pharmaceutical, or protective purposes;

(3) The import is in types and quantities strictly limited to those that can be justified for such purposes; and

(4) You have notified BIS at least 45 calendar days prior to the import, pursuant to § 712.6 of the CWC.

NOTE 1 TO § 712.2(b): Pursuant to § 712.6, advance notifications of import of saxitoxin of 5 milligrams or less for medical/diagnostic purposes must be submitted to BIS at least 3 days prior to import.

NOTE 2 TO § 712.2(b): For specific provisions relating to the prior advance notification of exports of all Schedule 1 chemicals, see § 745.1 of the Export Administration Regulations (EAR) (15 CFR parts 730 through 799). For specific provisions relating to license requirements for exports of Schedule 1 chemicals, see § 742.2 and § 742.18 of the EAR for Schedule 1 chemicals subject to the jurisdiction of the Department of Commerce and see

the International Traffic in Arms Regulations (22 CFR parts 120 through 130) for Schedule 1 chemicals subject to the jurisdiction of the Department of State.

(c)(1) The provisions of paragraphs (a) and (b) of this section do not apply to the retention, ownership, possession, transfer, or receipt of a Schedule 1 chemical by a department, agency, or other entity of the United States, or by a person described in paragraph (c)(2) of this section, pending destruction of the Schedule 1 chemical;

(2) A person referred to in paragraph (c)(1) of this section is:

(i) Any person, including a member of the Armed Forces of the United States, who is authorized by law or by an appropriate officer of the United States to retain, own, possess transfer, or receive the Schedule 1 chemical; or

(ii) In an emergency situation, any otherwise non-culpable person if the person is attempting to seize or destroy the Schedule 1 chemical.

§ 712.3 Initial declaration requirements for declared facilities which are engaged in the production of Schedule 1 chemicals for purposes not prohibited by the CWC.

Initial declarations submitted in February 2000 remain valid until amended or rescinded. If you plan to change/amend the technical description of your facility submitted with your initial declaration, you must submit an amended initial declaration to BIS 200 calendar days prior to implementing the change (see § 712.5(b)(1)(ii) of the CWC).

§ 712.4 New Schedule 1 production facility.

(a) *Establishment of a new Schedule 1 production facility.* (1) If your facility has never before been declared under § 712.5 of the CWC, or the initial declaration for your facility has been withdrawn pursuant to § 712.5(g) of the CWC, and you intend to begin production of Schedule 1 chemicals at your facility in quantities greater than 100 grams aggregate per year for research, medical, or pharmaceutical purposes, you must provide an initial declaration (with a current detailed technical description of your facility) to BIS in no less than 200 calendar days in advance of commencing such production. Such

facilities are considered to be “new Schedule 1 production facilities” and are subject to an initial inspection within 200 calendar days of submitting an initial declaration.

(2) New Schedule 1 production facilities that submit an initial declaration pursuant to paragraph (a)(1) of this section are considered approved Schedule 1 production facilities for purposes of the CWC, unless otherwise notified by BIS within 30 days of receipt by BIS of that initial declaration.

(b) *Types of declaration forms required.* If your new Schedule 1 production facility will produce in excess of 100 grams aggregate of Schedule 1 chemicals, you must complete the Certification Form, Form 1-1 and Form A. You must also provide a detailed technical description of the new facility or its relevant parts, and a detailed diagram of the declared areas in the facility.

(c) Two hundred days after a new Schedule 1 production facility submits its initial declaration, it is subject to the declaration requirements in § 712.5(a)(1) and (a)(2) and § 712.5(b)(1)(ii) of the CWC.

§ 712.5 Annual declaration requirements for facilities engaged in the production of Schedule 1 chemicals for purposes not prohibited by the CWC.

(a) *Declaration requirements—(1) Annual declaration on past activities.* You must complete the forms specified in paragraph (b)(2) of this section if you produced at your facility in excess of 100 grams aggregate of Schedule 1 chemicals in the previous calendar year. As a declared Schedule 1 facility, in addition to declaring the production of each Schedule 1 chemical that comprises your aggregate production of Schedule 1 chemicals, you must also declare any Schedule 1, Schedule 2, or Schedule 3 precursor used to produce the declared Schedule 1 chemical. You must further declare each Schedule 1 chemical used (consumed) and stored at your facility, and domestically transferred from your facility during the previous calendar year, whether or not you produced that Schedule 1 chemical at your facility.

(2) *Annual declaration on anticipated activities.* You must complete the forms
